2,000 yen for students, and 2,500 yen for staff members

Only an exact fee without money changing will be accepted.

(D) Identification Card and Questionnaire Sheet

Identification Card and a completed Questionnaire Sheet will be required to make procedure for a vaccine injection. Body temperature should be measured in advance.

The Sheet can be downloaded via Portal site or a web site (<http://www.hc.u-tokyo.ac.jp/>).

(E) NOTICE

Vaccination will not be performed because of a physician's contraindicative decisions.

Date option for vaccination will not be available.

Questionnaire Sheet should be previously filled with Body Temperature data.

Telephone services for information are unavailable.
