Notification on General Research Building

(21 KOMCEE II Building) Construction

There was a notification from the Head Office Facilities Division that 21 KOMCEE II Building construction (General Research Building Construction) will start from March 18th (Mon.), 2013.

During the construction period, there will be traffic regulation within the campus, and noises may be made, but we will carry out the construction on the principle of safety and security first, and try our best to prevent making noises as much as possible.

Thank you for your understanding and cooperation.
