How to read the Grade Report for 2S1 Term

(1) Grades for Each Courses

Grades obtained in 2S1 Term will be shown as “2016” in Year column, and “4” in Semester column. The grades for Junior Division courses will appear on your Grade Report, for the Senior Division courses, it will appear on UT-mate after you have advanced to Senior Division.

(2) Required Credits/ Credits Gained/ Further Credits Required/ Simple Average and Percentage Point Average for Each Course Group

In this blue section, the grades and credits earned will not be included in the “Credits Gained”, “Simple Average” and “Percentage Point Average for Each Course Group.” The “Required Credits” section will show the credits needed to fulfill the Junior Division requirements. (Note that the credit information for this section will be the same as that of A Semester, A2 Term Grade Report.)
