3. Application of Deferred payment

Once the application of exemption is submitted, the payment of the tuition fee will be deferred until the results are determined (the middle of January).

If you need more deferment (until the end of February), please contact us by email.

4. Selection Results

The result of the selection will be released around the middle of January through the UTokyo Academic affairs System (UTAS).

- If the tuition exemption has been granted, either the entire or half of the tuition fee will be waived, depending on the household's financial circumstances.
- If the deferred payment has been granted, this will take the form of a deferral until the end of February, or payment in instalments until March.
- If your application for exemption or deferral is rejected, or if your application for exemption was for a half exemption, tuition will be automatically deducted from your registered bank account in late January after notification of the results.

5. Precautions

- For those who will enter the doctoral course from the master's course in September or October, please make sure to submit a new application for the second half since the application for the first half will not be transferred to the second half.
- If you apply during the first half application period, your application will be submitted at the same time as the second half application. However, when you apply for the second half, you cannot apply for the first half at the same time.

You wish to receive tuition fee exemption for the next academic year (April 2024 – March 2025) must reapply. With regards to tuition fee exemption for the first half of academic year 2024, please check the details on our website.
