

To all students and staff

Division of Health and Health Promotion

Influenza Vaccination

The Division of Health and Health Promotion is providing influenza vaccine according to the following schedule with priority given to the students.

Those wishing to receive the vaccination must register through the website:

<http://www.hc.u-tokyo.ac.jp/>

The Komaba Campuses have previously shown a high demand for vaccination, and from this year vaccinations will be provided through the health center at Komaba Campus.

Please be aware that the vaccination will be terminated once the allocated quantity for each campus has been used. However depending on the circumstances, additional vaccination may be scheduled. Please check the website for more information.

1. Eligibility:
