

Recruitment of GO Tutors

(Tutors for the AIKOM students and the first-year students of PEAK)

GO TUTOR SYSTEM

Globalization Office (GO) is looking for students who can support incoming students of AIKOM (Abroad in Komaba, a one-year undergraduate exchange program) and PEAK (Programs in English at Komaba, undergraduate degree programs).

GO Tutors assist the AIKOM/PEAK students with their studies, and give advice and assistance as the new students adjust to a new environment. The tutoring session will take place in GO Lounge, located in 21 KOMCEE. The tutoring is not necessarily a one-on-one session. There will also be GO Tutor Meetings, where each tutor will be asked to report on his/her work, and discuss how to deal with certain issues or how to improve the tutor system. GO Tutors will also take part in other related activities of GO, working with faculty members.

GO Lounge (21 KOMCEE B1)

Each GO Tutor should have enough communication skills, problem solving ability as well as creativity, and should be willing to work with AIKOM/PEAK students. Working as a GO Tutor will be a great opportunity for those who are interested in befriending and collaborating with people of diverse cultural backgrounds.
