

# Classroom Change

Course: Contemporary Environmental Issues  
(Guidance and Lecture)

Main Lecturer : Naoki Morishita  
Coordinator : Yoshiyuki Hirono

Day: 2018/6/7 (Thur) 5th Period

Classroom: Building 14-308

**KIBER 314**  
**(Komaba International Building for Education and Research)**

The capacity of this class is 23 students. Now more than 30 have registered. When you do not be attend the guidance, you might not be allowed to attend this class. The professor will select 23 attendants by a random drawing for the students other than ES (Environmental Sciences Course) and PEAK NS (Natural Sciences) II students at the guidance.
