- In cases where you cannot attend classes at the University of Tokyo for a specified period, the handling of such situations shall be determined by the faculty of affiliation.
- For Junior Division (years 1 and 2) students: the College of Arts and Sciences Junior Division will mark students as “absent,” if they participate in summer programs that clash with the Faculty’s class and examination schedule. Please be aware that the Faculty will NOT grant special treatment to Pre-GEFIL students. Furthermore, absence due to participation in a summer program abroad is not considered a valid reason when applying for an exam re-sit.

Just like the Junior Division, in principle, no special treatment will be considered. For any individual circumstances, please consult with the head of the course you belong to.
