Announcement to Environmental Sciences 3rd students (AY 2015)
Selection of laboratory for the Graduation Project

Based on the laboratory review session and the following lab visits, please make your first to third choices of laboratory, at which you would like to conduct your Graduation Project. The 3rd-year students who will be able to spend their 4th year for the Graduation Project can submit this choice form (i.e. those who will study abroad during the 4th year are not eligible).

Please submit the below form by email to Takehito Yoshida (cty@mail.ecc.u-tokyo.ac.jp), the chair of academic affairs committee **by Friday, July 3rd, 2015**. Once he receives the form, he will send you a confirmation of receipt. If you don't hear back from him after a few days, please give him a phone call at 03-5454-6645 (or extension 46645).
