

# Beware of Suspicious Solicitations!

There have been reports of solicitations by con artists and religious cults within the campus grounds.

Please make sure you do not give out personal details when they ask you answering questionnaires or other petitions

They will use ingenious methods, such as pretending to be clubs or circles to approach you. If you feel you were solicited intrusively or persistently, please report it to the Student Support Team, the nearest administration office or security guards.

We will increase security patrols on campus. Please be aware that you may be requested to show your student ID or other forms of ID by security staff.

If you become aware or have any information, please contact the Student Support Team.
