

S Semester (S1/S2 Term) AY 2026

Course Registration

Students of the Graduate School of Arts and Sciences must register for courses offered in S Semester (S1/S2 Term) on UTAS during the course registration period below. Please make sure to refer to Academic Handbook S Semester 2026 and consult your academic advisor before you register.

Since many changes are expected to occur this semester, please frequently check UTAS and GPEAK Website to obtain the latest information.

Note that course registration and correction (including intensive courses) cannot be made after the course registration period. Please also register for courses offered in other faculties or graduate schools during the period below.

Course Registration Period
