GO Seminar Series are informal seminar series for both international and Japanese students of Todai to discuss Japan's current topics in English.

GO Seminar "Aging Japan" consists of four sessions.

The participants will learn various aspects of aging Japan and discuss certain topics in small groups. The final session will be a fieldwork session, visiting Kirigaoka Danchi in Kita-ku, a huge apartment complex developed during the rapid growth period.

Instructors: Mariko Osawa and Miki Toyofuku (Globalization Office)
