

Grade Confirmation Request (2024S Semester, S1 Term, S2 Term)

If you have received the grades “F”, “Fail” or “Absent” and believe there is an obvious error in the evaluation, you can request a confirmation of grade evaluation. Please submit the “Grade Confirmation Request” during the designated periods. (See below.) Note that **it is not allowed to contact instructors directly to request a grade confirmation**.

Grade Confirmation Requests should be registered on UTAS (“Grade” → “Junior Division” → “Confirmation of Grade”).

For requesting a grade confirmation, you need to state a specific reason. The grades will be corrected if the course instructor finds that there is an error in the grading based on the stated reason.

The results of the grade confirmation **will be reflected on UTAS one by one** after the response has been made by the course instructor. The corrected grades will be reflected on your grade reports after being processed by the Academic Affairs Division.
