

[CAUTION] Regarding Grade Confirmation Request

This is a system for only those who have received the grades “F”, “Fail” or “Absent”, and believe there is an obvious error in the evaluation to request a confirmation of grade evaluation as stated in “PEAK Academic Handbook”.

This is not a relief system to negotiate a given grade.

Do not make a request to override the purpose of the system.

We hope you will behave responsibly.

It is not allowed to directly contact a faculty member regarding grade evaluation except through application for a grade confirmation request.
