

## UTokyo Global Leadership Education Program (GLP)

# List of GLP Designated Courses for A Semester (A1/A2 Term) 2021 (PEAK Students)

The 'Global Leadership Education Program' (GLP) is an innovative, transdisciplinary 4-year educational program, which is designed to equip talented undergraduates with the global competences and skills necessary to act effectively as creative, knowledgeable, and responsible players and 'change-makers' on the global stage. In the latter half of the GLP, which is called 'GLP-GEFIL', we offer special courses taught entirely in English to a select group of Year 3 and Year 4 students (approximately 100 students/year).<sup>※1</sup>

Students are eligible to apply for the GLP-GEFIL, if they have English proficiency, strong motivation to participate in the GLP-GEFIL, and have earned or are expected to earn 6 credits or more from at least two of the three categories of 'Global Education', 'Foreign Languages',<sup>※2</sup> and 'Problem-solving and Practical Skills Subjects' of the GLP Designated Courses by the end of the autumn semester of Year 2. GLP Designated Courses are selected each semester from courses offered at the Junior Division. Interested students are allowed to take these courses, regardless of whether they intend to participate

in the GLP-GEFIL or not. The list below shows the GLP Designated Courses for the A Semester (A1/A2 Term) 2021.<sup>※3</sup>

※1 Details of the GLP-GEFIL application requirements can be found in the brochure as well as on our website at <http://www.glp.u-tokyo.ac.jp/en/>

※2 For PEAK students, 'Foreign Languages' excludes all courses in their native language.

※3 Courses marked in gray, are in principle open for April-entry students. However, to enroll in any of these courses, students must first receive permission directly from the instructor (in some cases, permission may not be granted because of class size limitations and course requirements). Furthermore, students must complete the registration procedures for courses requiring registration approval at the PEAK/GPEAK Section (counter №2), submitting the Registration Approval Card with the instructor's signature. For details, refer to "PEAK Academic Handbook".
