

To all students

Microsoft Office for students

From April 2017, the University of Tokyo is offering Microsoft Office® to all undergraduate and graduate students through a comprehensive university agreement. Students will be able to install Microsoft Office® on their own PC free of charge.

You do not need to purchase Microsoft Office® separately or bundled with a new PC while you belong to the University of Tokyo.

1. Available Software Products

- Office 365 ProPlus (English/Japanese)
(Cloud version of the Office Professional Plus 2016)

2. Support Devices

- One user can install this on up to 5 different device per operating system (Windows, MacOS, iOS, Android)

3. How to use

Please refer to the following website for more information

Search using **“UTokyo Microsoft License”** !

<http://www.u-tokyo.ac.jp/ja/administration/dics/service/mslicense.html>

4. Notice

- This service will begin from April 1, 2017.
- To be able to use the licensed program, you must have a UTokyo Account. Please refer to the UTokyo Account website.
<http://www.u-tokyo.ac.jp/ja/administration/dics/service/account.html>
- The software license is valid as long as you belonging to the University of Tokyo as a student.
You will not be able to continue using this license after you graduate.
- This license program is different from previous license programs in several departments (i.e. Faculty of Science, Engineering, Frontier Science, etc.). Therefore all students must go through the appropriate application from the website.
- Please follow and obey the terms of use, as well as the usage and security guidelines.
