To All Students:

The possible traffic suspension on the morning of April 18 is expected. Please be notified as follows and constantly check relevant information provided by reliable media.

1. Note that no class cancellation on April 18 is planned at this point. However, if the Japan Railway and major private railways around Tokyo Area fully suspend their train services, classes will be cancelled based on the following rules:
  - If train services are suspended at 6:00 AM, all morning classes (periods 1 and 2) are cancelled.
2. Think your safety first: do not take the risk to come to campus if the train service by which you commute is running largely late or suspended, or if there seem to be a danger with coming to campus.
