A Semester (A1・A2 Term) of the Faculty of Education Postgraduate Course Teaching Format

Faculty of Education Postgraduate Course Members

A Semester (A1・A2 Term) of the Faculty of Education Postgraduate Course Teaching Format will be contacted.

S Semester (S1・S2 Term) is full subject online teaching, but A Semester (A1・A2 Term) is currently partially introducing face-to-face teaching. We are planning to do so. For face-to-face teaching, please refer to the teaching list separately.

However, even for these subjects, if it is judged that the infection risk is high, or if it is not possible to do so due to the situation, the teaching format may become online teaching. Conversely, in online teaching, if the improvement of the infection situation is confirmed, it may be possible to switch to face-to-face teaching with the consent of the students.

In addition, when introducing face-to-face teaching, measures for infection prevention in classrooms and laboratories on campus, as well as the improvement and maintenance of classrooms where online teaching can be conducted, such as UTokyo WiFi, are planned.

Also, please take the following infection prevention measures on your own.

- Mask wearing
- Foreign language classes, etc., while confirming mouth movements, avoid face-to-face teaching with presentations or conversations.
- If you have to attend classes in empty classrooms, wear face shields to prevent splashing (available for purchase from the Student Union)
- Frequent disinfection and hand washing
- Self-restraint at gatherings such as meals and family meetings
- Register on the "Keio University I Campus Entry/Facility Use Application Site" before entering.
