

Group-II Students Medical Check-ups

Undergraduate and Postgraduate Students (Excluding New Students Enrolled in April, 2015) and Research Students

The health check-ups on all three campuses are by reservation only. Reservations opens from 10 am on Tuesday, April 7, 2015 and can be made through the following website:

<http://www.hc.u-tokyo.ac.jp/>

The login information can be obtained from bulletin boards of your faculty or graduate school, or through the “Information for Students” screen available after you log onto UT-mate, the UTokyo Educational System.

Medical checkups are required by law. Please make sure you attend the check-ups during the specified period

1. Students and Research Students Required to take the Group-II Medical Check-up:

Students and researchers required to take the group-II check-ups are as follows:

- Undergraduate Students (excluding new students enrolled in April, 2015)
- Postgraduate Students (excluding new students enrolled in April, 2015)
- Research Students (Pre-registration required. Please ask a staff in your faculty.)

2. Checks done during Group-II Medical Check-up:

- ① History taking and medical questionnaires, blood pressure evaluation
- ② Chest X-ray examination
- ③ Height and body weight measurement
- ④ Mental Health Questionnaire (for Postgraduate students, Research students)

3. Please note the following points on the Health Checkup:

- 1) Please make a reservation through the following website. For details on the reservation, access <http://www.hc.u-tokyo.ac.jp/>.
- 2) Visiting researchers are required to register in advance before coming for a check-up each year. From 2014, you need to have your common ID to register. Please check with your department whether you need to take a student or staff check-up.
- 3) Please bring your Student ID card. If you do not have a Student ID card, please obtain and bring your certificate of enrollment.
- 4) Medical check-ups can be taken on any campus. However, please make sure to have the medical check-ups without fail during the specified period.
- 5) Schedule for the medical check-up schedule may change without notice. Please check the website before turning up for your medical check-up.
- 6) As chest X-rays will be taken, please wear light clothing. Women are requested to wear thin, plain-colored T-shirts without buttons or metal fittings, and please do not wear “bra-top” type clothing. Please bring something to tie your hair if you wear it long. Also, please make sure you are able to bare your ankles for the electrocardiography – therefore please refrain from wearing tights or stockings.
- 7) Health certificate can be issued from three weeks from the date of examination. The results of the first day will become available first.
- 8) Please call the relevant Health Service Center if you are unable to attend the checkup during the dates because of justifiable reasons, such as hospitalization and so on.
- 9) All students are required to have a health checkup. Without medical checkup documentations, you will not be able to obtain certificates required for enrolling in specialty courses, moving to another university and for making various applications. If you miss the health check up on this occasion, the next available checkup will not be until the following year.
- 10) Those who need special assistance should contact us in advance.
