\*NO dropping period for this course as this is an intensive course. You must notify the Administration office of your university by 12 May (Thu) COB in case of cancellation.

**Important Notice (Please read carefully)**

- Follow the instruction given by the Administration office of your university for the registration procedures and the course registration deadline.
- A course may be cancelled in case the number of registration does not reach the required minimum number of students for the course.
- Students who would like to audit a course must receive the approval of the course instructor by the course registration deadline. You must notify the name of the course(s) you wish to audit to the Administration office of your university.
- Attendance to the first class of the course is compulsory.
- Students who wish to add/drop a course must notify the Administration office of your university immediately after the first class. The add/drop deadline for each course is indicated above. Also notify the course instructor in writing before the add/drop deadline.
- Students will be notified in case of any update on the course schedule, and classroom information.
