Conditions permitting, those residing in the Tokyo metropolitan area may be asked to visit the University of Tokyo for an in-person interview. (We regret that we are not able to reimburse travel expenses.)</p> <p>Applicants may expect to be notified of the results by late June.</p> <p>Applications will not be returned. Personal information obtained for recruitment will not be used for any other purposes.</p> <p>The University of Tokyo is committed to gender equality in hiring.</p> <p>If you are personally in contract with foreign governmental bodies, corporations or universities, or you are in receipt of a large benefit (financial or any other form) from foreign governmental bodies during the period of your employment, the provisions of the Foreign Exchange and Foreign Trade Act (FEFTA) may prohibit or restrict the sharing of technology that are designated as controlled technology possibly making it difficult for you to fulfill your duties as an academic or administrative staff of the university as a result. Therefore, in such cases it is necessary to keep such contracts/benefits within the scope where it does not hinder the sharing of technologies necessary for your duties by the university.</p> <p><b>Outline of the program</b></p> <p>The ALESS and ALESA Programs teach compulsory English courses at the University of Tokyo for science and humanities students, respectively. The programs include a semester-length academic writing course as well as a half-semester course, called FLOW, designed to enhance fluency in academic discussion. In ALESS writing classes, students design and conduct a simple controlled experiment, which provides the basis for a scientific essay in the IMRaD style. In ALESA writing classes, students conduct research on an academic topic and write an analytical or argumentative essay using proper scholarly apparatus. The average class size is 15 students. The curriculum of the</p>

		ALESS and ALESA Programs is under constant refinement through collaboration among all faculty.
